How to Book for a Service

In order to manage numbers it would be helpful if you could book a place at a service by telephoning 07858 412023. (please ring between Wednesday and 2pm on Saturday)

Please tell us your name, if anyone else is coming with you and whether you are able to sit together, which service in which church you'd like to attend.

At the moment there is usually spare capacity at services.

If you book and then are unable to attend, please let us know asap.

Please be gracious with us as we continue to work within the guidelines to maintain social distancing whilst in church for services.
